New to confluence? Here's some quick tips to find your way around:

The navigation bar features four main elements from left to right: a Spaces icon, a Questions icon, a search bar with a magnifying glass icon, and a Log in link with a question mark icon. Red arrows point from each element to a text box below it. The text boxes provide instructions: 'Click here to view all available spaces' for Spaces, 'Click here to ask a question or find an answer' for Questions, 'Click here to search the entire site' for the search bar, and 'Click here to login' for the Log in link.
